**Re: Iowa Wireless Services, LLC d/b/a iWireless  
Notification of Opt-In to Waiver of Rules Requiring Support of TTY Technology  
Granted to the Competitive Carriers Association; GN Docket No. 15-178**

Dear Ms. Dortch:

Iowa Wireless Services, LLC d/b/a iWireless ("iWireless") is a member of the Competitive Carriers Association ("CCA"), and the company files this letter for the purpose of opting in to the TTY Waiver granted to the CCA. On April 20, 2016, the FCC issued an Order granting the CCA's petition for waiver of the Commission's TTY-related requirement for IP-enabled wireless services.<sup>1</sup> In its Order, the FCC stated that it would permit CCA members to opt in to the CCA's TTY Waiver, provided that CCA members that seek the benefit of the waiver granted by the Order identify themselves to the Commission no later than July 19, 2016, and affirm that they are aware of the commitments stated in CCA's revised petition.<sup>2</sup>

Consistent with the Order, iWireless identifies itself as a CCA member seeking the benefits of the TTY Waiver. iWireless also affirms that it is aware of the commitments stated in CCA's revised petition.

Should you have any questions with respect to this matter, please feel free to contact the undersigned.

Respectfully submitted,

Monte Hagge  
Vice President, Operations
